

CAPABILITY STATEMENT

ABOUT PROSIS

Prosish Hawaii, LLC is a Hawaii **8(a)** SBA certified **Woman Owned Small Business** (EDWOSB) formed in 2003 that specializes in Information and Communications Technology. We provide services to the Department of Defense, Public Sector and Commercial businesses in Hawaii and across the Pacific Rim.

Our goal is to help our clients realize their business and mission critical needs through a consultative team approach where all parties actively participate in the discovery, design, implementation and support processes.

We have a high level of familiarization and experience with all branches of the DoD as well as the cultural, and business environments of Hawaii public sector and commercial industries.
